

*Due to the Covid-19 virus, the Women's Club has decided to cancel the October and November regular meetings and the December Luncheon. However, we do have **wonderful** plans for 2021 and hope to meet then. Our theme this year is Spirit Of The Low Country. We are highlighting how we have survived and thrived during this pandemic. Our plan was to highlight a representative from the local government in October and someone from the medical community in November. Although we won't be able to do that, our future plans are as follows:*

- *January 20th Faith - Pastor Theresa Roberts of Love House Ministries*
- *February 17th Education - Dr. Tara Mack, Principal of St. Helena Elementary School*
- *March 17th Business - Ross Taylor of Seaside Grown*
- *April 21st Home Tour (rescheduled from last March!)*
- *May 11th Spring Luncheon, featuring the author Mary Alice Monroe and our scholarship recipients for the 2020-2021 year. Yes, you read that right, Mary Alice Monroe, New York Times Bestselling Author! The luncheon is strictly reserved for members only as there will be a high demand to attend. You also probably noticed that May 11th is the second Tuesday of the month instead of the third Wednesday. We usually end our events in April, but this opportunity was just too remarkable to miss!*

So, what are the plans until January?

*On October 7th the FIWC conducted the Bonnie Combs Memorial **Flu Shot Clinic** at the Community Centre from 10:00 am to 4:00 pm. Many Frippers took advantage of Beaufort County Memorial's flu shot program with their strict COVID precautions.*

Born To Read - We will collect new and gently used books. These books can be in either English or Spanish.
